

Hobbies Evening

6th February 2019

Peter Hall and John Spencely invite members who make things to come to an “exhibition evening” at the Club at 1900 hrs on Wednesday 6 February 2019 – to display their products and to talk about how they are made.

Pete will bring some of his model ships (**see above**); John will bring some of his letter carvings (**see below**). Both will bring some of their tools.

Any member who would like to join in by presenting the products of their hobby is asked to respond to this message by emailing John at johnspencely@btinternet.com.
